

SMALL BUSINESS SAFETY MADE EASY

Free Resources That Can Help

A wide array of downloads are accessible 24/7 and can help you understand what the law requires in key areas. Available at no charge, these solutions include:

- **Getting Started on Safety:**
 - **A Roadmap for Your Small Business**
Describes in 6 easy steps what you need to do to get started on health & safety and what resources can help.
 - **A How-to Guide for Your Small Business**
Knowing **what** you need to do when it comes to safety is half the battle. This guide focuses on the other half by providing practical advice for **how** to do it.
- **First Aid at Work** - Being equipped to provide first aid on the job makes good sense and it's the law.
- **Personal Protective Equipment (PPE)** - Many jobs require workers to wear PPE to protect them from harm. Find out what you need to know.
- **Using Landscaping Equipment** - Covers safe work practices when using landscaping equipment.

Other Solutions That Can Help

WSPS also offers competitively-priced training and information solutions. Available in a variety of convenient formats, such as self-paced or self-serve options, these solutions help you quickly and conveniently meet legal requirements. Examples include:

- **Health & Safety Awareness for Ontario Supervisors**
(1 hour e-course) - Explains a supervisor's role and workplace health & safety duties.
- **Health & Safety Awareness for Ontario Workers**
(1 hour e-course) - Explains a worker's health & safety rights and responsibilities.
- **Chemical Storage Sign** - Post this sign to warn employees where pesticides are stored and comply with the law.
- **First Aid Report Form** - Use this form to keep a written record of the first aid treatment given to an employee.

COMMON HAZARDS TO BE AWARE OF INCLUDE:

- **Manual work like lifting and carrying**
- **Slip, trip and fall hazards**
- **Motorized vehicle hazards**
- **Contact with powered tools and equipment**
- **Exposure to chemicals**

KEY BENEFITS TO YOUR BUSINESS

Working with WSPS offers your business big benefits. We can:

- **Save you time**
We've created ready-to-use tools, templates and guidelines so that you don't have to.
- **Save you money**
Many of our services are "prepaid" through your WSIB premiums.
- **Boost your resources**
You can draw on our experience and expertise in health and safety. You don't have to go it alone.

In short, WSPS can help keep your business running smoothly.
