# Live Animal Agreement

Live animals meeting the following criteria may be permitted in the facility at The Toronto Congress Centre's sole discretion, and by proper execution of this waiver.

Certified Service Animals – ie: guide dogs, either working or under directed training  
Animals which are part of an approved Exhibit or professional seminar and licensed for the purpose under applicable Ontario Law

Pets, companion animals and service animals not in current service or under directed training are not permitted in the Centre.

Permitted animals will be under leash control at all times while in or on Centre grounds, or secured in a cage/kennel or other secure enclosure. Ontario Code applies.

The Party executing this waiver accepts full responsibility to determine and obtain any permit or license required under City, Province or Federal Regulation and to bear the full cost of, and hold harmless and indemnify TCC and its related parties from, and loss or damage or injury, or any action or suit arising there from, caused by any permitted animal, to any person or thing in or on Centre grounds, arising from whatever cause or provocation.

TCC may in its sole discretion deny entry to, or cause to be removed, any animal; which it finds to be maintained or otherwise treated or behaving in an unsafe, inhumane or unsanitary manner.

ACKNOWLEDGED AND AGREED:
