IT'S MORE THAN A COMPACT MACHINE

# IT'S A CAT®

- ✓ Legendary reliability and durability
- ✓ A cab designed for operators
- ✓ Intuitive controls that make hard work easy
- ✓ Unmatched versatility thanks to a wide selection of attachments

That's what a Cat machine is all about.

**EARLY SPRING  
GREEN UP!**

**Nutrite's 23-0-5  
Polyon, AS & C2Charge**

52% of the nitrogen is derived  
from Polyon 10 week release  
polymer coated urea

48% of the nitrogen is quick  
release Ammonium Sulphate

**Polyon**  
Polyon controlled release nitrogen  
provides a long lasting, precise  
and consistent feeding that lasts  
up to 10 weeks.

**Ammonium Sulphate**  
Ammonium Sulphate is particularly  
useful in the early spring for rapid  
recovery and greenup.

**BioChar & Leaf Compost**  
BioChar reduces carbon footprint,  
soil compaction, increases porosity  
& soil moisture holding capacity.  
BioChar provides long term habitat for  
soil microbes. Leaf Compost organic  
compost provides food energy for soil  
microbes & increases microbial activity.

# SHOW TEAM

## Dedicated volunteers make a difference!

Landscape Ontario Congress would not be possible without the passion and dedication of the association's Show Committee. This group of Landscape Ontario member volunteers work directly with the Congress Show Team to ensure the show is a success each year. Their enthusiasm, creativity and hard work are vital to the prosperity of this annual event.
